PROXIES

Appointment of Proxies

The persons named in the enclosed Form of Proxy (the “**Proxy**”) are nominees of the Company’s management. **A shareholder wishing to appoint a person (who need not be a shareholder) to attend and act for him on his behalf at the Meeting, other than the persons designated as proxy holders in the enclosed Proxy, may do so by striking out the printed names and inserting the name of such other person in the blank space provided in the Proxy or by completing another proper form of proxy.**

The completed Proxy or other proper form of proxy must be delivered or faxed to Odyssey Trust Company, or as otherwise instructed in the form of proxy, not later than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting. The Chairman of the Meeting has the discretion to accept proxies on the day of the Meeting.

Revocation of Proxies

A shareholder who has given a Proxy may revoke it at any time before it is exercised by an instrument in writing (a) executed by the shareholder or by his attorney authorized in writing, or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation; and (b) delivered or faxed to Odyssey Trust, by mail or by hand delivery at Odyssey Trust Company, 67 Yonge Street, Suite 1100, Toronto, ON M5E 1J8, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, or to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof, before any vote in respect of which the Proxy is to be used shall have been taken, or in any other manner provided by law. Attendance at the Meeting and participation in a poll by a shareholder will automatically revoke the Proxy.

Voting of Proxies and Exercise of Discretion by Proxyholders

The shares represented by the Proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly. **IF A CHOICE IS NOT SO SPECIFIED, IT IS INTENDED THAT THE PERSON DESIGNATED BY MANAGEMENT IN THE ACCOMPANYING PROXY WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED ON THE PROXY.**

The Proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to any matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Circular, management of the Company knows of no such amendments, variations, or other matters to come before this Meeting.

Solicitation of Proxies

Solicitations of proxies will be made by mail and may be supplemented by telephone or other personal contact to be made without special compensation by regular officers and employees of the Company. The Company may reimburse Shareholders’ nominees or agents (including brokerage houses holding shares on behalf of clients) for the out-of-pocket cost incurred in obtaining their authorization to execute forms of proxy. The cost of solicitation will be borne by the Company.

Notice to Beneficial Owners

Most beneficial owners of the Company’s shares are NOT listed on the Company’s register of Shareholders. Beneficial owners will not be listed if they hold their shares through an intermediary, such as a brokerage firm, bank, trust company, RRSP, RRIF, TFSA, or other firm, financial institution or company. In this discussion, such owners are

referred to as “you” or as a “Beneficial Owner”, and the firm, financial institution or company through which you hold your shares are referred to as “Intermediaries”. This discussion does not apply to owners of shares of the Company who hold their shares directly instead of through an Intermediary and who are therefore listed directly on the Company’s register of Shareholders.

The Company can only recognize votes and take instructions from Shareholders who are listed on its register of Shareholders. Therefore, in order to vote at the Meeting, you will either need to instruct your Intermediary on how to vote your shares, or instruct the Intermediary to authorize you or someone you appoint to attend and vote at the Meeting. To do so, you will need to complete a form of proxy sent to you by or on behalf of your Intermediary (the “**Form of Proxy**”), sign it and return it to your Intermediary or to another party directed by your Intermediary. You can also appoint someone else to vote on your behalf by inserting that person’s name in the blank space instead of your own on the Form of Proxy.

The Company will be providing Meeting materials to the Intermediaries listed on its register of Shareholders (or listed by the depository or other agent used by the Intermediary) as requested. Unless you have waived the requirement to do so, the Intermediaries are required to forward these Meeting materials to you. In addition to the Form of Proxy, the Meeting materials will include this Circular.

The Company does not intend to pay for Intermediaries to forward meeting materials to the objecting beneficial owners (“**OBOs**”) pursuant to NI 54-101. Therefore, OBOs will not receive materials unless their Intermediary assumes the cost of delivery.

Again, if you wish to give voting instructions to your Intermediary to vote on your behalf at the Meeting or if you wish to attend the Meeting and vote in person or have someone else attend and vote on your behalf, you must complete the Form of Proxy and return it in accordance with the instructions and time limits provided. This will enable your Intermediary either to vote your shares as you have directed, or to give formal notice to the Company that you or someone you have appointed has the authority to attend and vote at the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the Directors or Executive Officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue unlimited common shares without par value. Only Common Shares carry voting rights at the Meeting with each Common Share carrying the right to one vote. The board of directors of the Company (the “**Board**”) has fixed September 2, 2025 as the record date (“**Record Date**”) for the determination of shareholders entitled to receive notice of and to vote at the Meeting and at any adjournment thereof, and only shareholders of record at the close of business on that date are entitled to such notice and to vote at the Meeting. As of the Record Date, 71,100,640 common shares were issued and outstanding common shares as non-assessable.

To the knowledge of the Directors and executive officers of the Company, there are no Shareholders who beneficially own, directly or indirectly, or exercise control or direction over, voting shares of the Company carrying more than 10% of the voting rights attached to all the issued and outstanding voting shares of the Company.

As at the date of this Circular, the directors and senior officers of the Company, as a group, own beneficially, directly or indirectly, or exercise control or direction over an aggregate of 9,128,000 common shares, or approximately 12.84% of the outstanding voting shares of the Company.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Management of the Company is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of (a) any director or executive officer of the Company, (b) any proposed nominee for election as a director of the Company, and (c) any associates or affiliates of any of the persons or companies listed in (a) and (b), in any matter to be acted on at the Meeting other than the election of directors or the appointment of auditors, except that continuing directors and executive officers may be eligible to receive future grants of share incentive awards under the Equity Incentive Plan of the Company.

VOTES NECESSARY TO PASS RESOLUTIONS AT THE MEETING

Under the Company's Articles, the quorum for the transaction of business at the Meeting is present irrespective of the number of persons actually present at the Meeting, if the holders of a majority of the shares entitled to vote at the Meeting are present in person or represented by proxy. A simple majority of the votes cast at the Meeting (in person or by proxy) is required in order to pass the resolutions referred to in the accompanying Notice of Meeting.

Stock Option Plan

The Company has a stock option plan in place (the “**Option Plan**”). The purpose of the Option Plan is to provide the Company with the advantages of the incentive inherent in equity ownership on the part of Option Participants who are responsible for the continued success of the Company; to create in those Option Participants a proprietary interest in, and a greater concern for, the welfare and success of the Company; to encourage Option Participants to remain with the Company and any subsidiaries; and to attract new employees, directors, officers and consultants. The Audit Committee will determine the directors, officers, employees, or consultants that Options shall be granted.

1. Stock Option Plan

The following is a summary of the material terms of the Option Plan:

Principal Purposes: The purpose of the Option Plan is to provide the Company with the advantages of the incentive inherent in equity ownership on the part of Option Participants (as defined in the Option Plan), who are responsible for the continued success of the Company; to create in those Option Participants (as defined in the Option Plan) a proprietary interest in, and a greater concern for, the welfare and success of the Company; to encourage Option Participants to remain with the Company and any subsidiaries; and to attract new employees, directors, officers and consultants. The audit committee determines the directors, officers, employees, or consultants that Options shall be granted.

Eligibility for Options: Options may be granted to any Eligible Person (as defined in the Option Plan).

Number of Shares: The maximum number of Shares issuable from time to time under the Option Plan is that number of Shares as is equal to 10% of the number of issued Shares at the date of grant of an Option. Notwithstanding the foregoing, at no time shall the number of Shares that may be reserved for issue under this Option Plan and the number of Shares that may be reserved for issue under the RSU Plan together exceed 10% of the total number of issued and outstanding Shares (calculated on a non-diluted basis) on the date of grant.

Expiry of Option: If an Option expires or terminates for any reason without having been exercised in full, the unpurchased Shares subject thereto shall again be available for the purposes of the Option Plan.

Reservation of Shares: The Company will at all times reserve for issuance and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Option Plan.

Vesting Schedule: The Board, as applicable, shall have complete discretion to set the terms of any vesting schedule of each Option granted, including, without limitation, discretion to:

- i. permit partial vesting in stated percentage amounts based on the term of such Option; and
- ii. permit full vesting after a stated period of time has passed from the date of grant.

Amendments to Option: Amendments to the terms of previously granted Options are subject to regulatory approval, if required. If required by the Exchange, disinterested shareholder approval shall be required for any reduction in the option price of a previously granted Option if the optionee is an insider of the Company at the time of the proposed reduction in the option price.

Cashless Exercise: Subject to the approval of the Board, an optionee may exercise any Option on a cashless basis. In such event, an optionee may file a written notice to the Company specifying the number of optioned shares in respect of which such Option is then being exercised (the “**Notice**”), in a form satisfactory to the Company and elect to surrender a number of vested Options in exchange for an amount equal to (i) the aggregate fair market value of the optioned shares underlying the vested Options being surrendered, minus (ii) the aggregate option price of the optioned shares underlying the vested Options being surrendered, minus (iii) any applicable withholding taxes. The Company shall satisfy the payment of such amount by issuing to the optionee such number of Shares (rounded down to the nearest whole number) with an aggregate fair market value equal to such amount. Subject to the approval of the Board, an optionee may exercise any Option pursuant to a broker-assisted cashless exercise, whereby the optionee shall elect on the Notice to receive:

- i. an amount in cash equal to the cash proceeds realized upon the sale in the capital markets of the Shares underlying the Options by a securities dealer designated by the Company, less the aggregate option price, any applicable withholding taxes, and any transfer costs charged by the securities dealer to sell the Shares;
- ii. an aggregate number of Shares that is equal to the number of Shares underlying the Options minus the number of Shares sold in the capital markets by a securities dealer designated by the Company as required to realize cash proceeds equal to the aggregate option price, any applicable withholding taxes and any transfer costs charged by the securities dealer to sell the Shares; or
- iii. a combination of (a) and (b).

Non-Transferable/Legending: Except as permitted by applicable securities laws and the policies of the Exchange, and as provided otherwise in the Option Plan, Options are non-assignable and non-transferable.

Termination of Options: To the extent not earlier exercised or terminated in accordance with the Option Plan, an Option shall terminate at the earliest of the following dates:

- i. the termination date specified for such Option in the option agreement;
- ii. where the optionee’s position as an employee, a consultant, a director or a senior officer of the Company or any subsidiary company, or an individual providing investor relations activities for the Company, is terminated for cause, the date of such termination for cause;
- iii. where the optionee’s position as an employee, a consultant, a director or a senior officer of the Company or any subsidiary company or an individual providing investor relations activities for the Company terminates for a reason other than the optionee’s disability or death or for cause, not more than 90 days after such date of termination or, if the Company is listed on an Exchange, then in the case of a person employed to provide investor relations activities, not more than 30 days after such person ceases to be employed to provide investor relations activities; provided that if an optionee’s position changes from one of the said categories to another category, such change shall not constitute termination or cessation for the purpose of the Option Plan); and
- iv. the date of any sale, transfer, assignment or hypothecation, or any attempted sale, transfer, assignment or hypothecation, of such Option in violation of the Option Plan.

Alteration in Capital Structure : If there is any change in the Shares through or by means of a declaration of stock dividends of the Shares or consolidations, subdivisions or reclassifications of the Shares, or otherwise, the number of Shares available under the Option Plan, the Shares subject to any Option and the option price therefor shall be adjusted proportionately by the Board and, if required, approved by the Exchange, and such adjustment shall be effective and binding for all purposes of the Plan.

Acceleration on Change in Control: Upon a change in control, all Options shall become immediately exercisable, notwithstanding any contingent vesting provisions to which such Options may have otherwise been subject.

Acceleration of Date of Exercise: Subject to the approval of the Exchange, if required, the Board shall have the right to accelerate the date of vesting of any portion of any Option which remains unvested.

Shareholder Approval: The Option Plan is subject to shareholder approval on a yearly basis at the Company's next ensuing annual general meeting.

Power of Board to Terminate or Amend Plan: Subject to the approval of the Exchange, if required, the Board may terminate, suspend or discontinue the Option Plan at any time or amend or revise the terms of the Option Plan; provided, however, that, except as provided in the Option Plan the Board may not do any of the following without obtaining, within 12 months either before or after the Board's adoption of a resolution authorizing such action, approval by the Company's shareholders at a meeting duly held in accordance with the applicable corporate laws:

- i. increase the maximum number of Shares which may be issued under the Option Plan;
- ii. materially modify the requirements as to eligibility for participation in the Option Plan; or
- iii. materially increase the benefits accruing to participants under the Option Plan;

however, the Board may amend the terms of the Option Plan to comply with the requirements of any applicable regulatory authority, or as a result of changes in the policies of the Exchange relating to director, officer and employee stock options, without obtaining the approval of the Company's shareholders.

2. Restricted Share Unit Plan

The following is a summary of the material terms of the RSU Plan:

Purpose: The purpose of the RSU Plan is to advance the interests of the Company by encouraging directors, employees and consultants to receive equity-based compensation and incentives, thereby (i) increasing the proprietary interests of such persons in the Company, (ii) aligning the interests of such persons with the interests of the Company's shareholders generally, (iii) encouraging such persons to remain associated with the Company, and (iv) furnishing such persons with additional incentive in their efforts on behalf of the Company.

Aggregate Plan Limits: The maximum aggregate number of Shares that may be reserved for issue at any given time in connection with the Restricted Share Units granted under this RSU Plan shall not exceed 10% of the total number of issued and outstanding Shares as at the Board approval date. Notwithstanding the foregoing, at no time shall the number of Shares that may be reserved for issue under this RSU Plan and the number of Shares that may be reserved for issue under the Option Plan together exceed 10% of the total number of issued and outstanding Shares (calculated on a non-diluted basis) on the grant date.

Certain Additional Limits: Notwithstanding anything to the contrary in this RSU Plan, if and as long as the Shares are listed on the Exchange,

- i. the number of Shares which may be reserved for issue pursuant to this RSU Plan together with the Shares which may be reserved for issue pursuant to any other employee-related plan of the Company or options for services granted by the Company, including the Option Plan, to any one person within a 12 month period shall not exceed in the aggregate 5% of the number of Shares issued and outstanding on a non-diluted basis on the grant date unless the Company has received disinterested shareholder approval;

- iv. the number of Shares which may be reserved for issue pursuant to this RSU Plan together with those Shares which may be reserved for issue pursuant to any other employee-related plan of the Company or options for services granted by the Company, including the Option Plan, to any one consultant in any 12 month period shall not exceed 2% of the number of Shares issued and outstanding on a non-diluted basis on the grant date.

Eligibility: Restricted Share Units will be granted only to those persons who are, at the time of the grant, Eligible Persons. If any participant is (pursuant to the terms of his or her employment or otherwise) subject to a requirement that he or she not benefit personally from a Restricted Share Unit, the Granting Authority (as defined in the RSU Plan) may grant any Restricted Share Unit to which such person would otherwise be entitled to the person's employer or to any other entity designated by them that directly or indirectly imposes such requirement on the Person. The Granting Authority shall have the power to determine other eligibility requirements with respect to Restricted Share Units or types of Restricted Share Units.

Vesting Conditions: Subject to terms of the RSU Plan, the Granting Authority shall determine any and all conditions to the vesting of all and/or any portion of Restricted Share Units and shall specify the material terms thereof in the applicable instrument of grant on, or as soon as reasonably practicable following, the effective date of the Restricted Share Unit. Vesting of a Restricted Share Unit, or portion thereof, may be conditioned upon passage of time, continued employment, satisfaction of performance criteria, or any combination of the foregoing, as determined by the Granting Authority.

Change of Control: Unless otherwise provided in the Restricted Share Unit or by direction of the Granting Authority as to all or any type of number of Restricted Share Units, in the event of a change of control and notwithstanding any other vesting or other restrictions or conditions, the Granting Authority may take whatever action with respect to the Restricted Share Units outstanding that it deems necessary or desirable, as set forth in the RSU Plan.

Vesting Terms: Restricted Share Units shall become vested at such times, in such instalments and subject to such terms and conditions consistent with the RSU Plan as may be determined by the Granting Authority and set forth in the applicable instrument of grant, provided that the conditions to vesting of Restricted Share Units may be based on the participant's continued employment and having regard to the satisfaction of any performance criteria established by the Granting Authority.

Termination: The terms of the Restricted Share Unit or the RSU Plan:

- i. if a Grantee is terminated for cause, resigns or, in the case of a director of the Company, is otherwise removed as a result of losing his/her eligibility to serve on the Board due to an order by a regulatory body or stock exchange or for culpable conduct as determined by the Granting Authority, any non-vested Restricted Share Unit granted pursuant to the RSU Plan outstanding at the time of such termination, resignation or removal and all rights thereunder shall wholly and completely terminate and no further vesting shall occur; and

Transfer Restrictions: Unless otherwise provided in the instrument of grant evidencing a Restricted Share Unit, no Restricted Share Unit, and no rights or interests therein, shall or may be assigned, transferred, sold, exchanged, encumbered, pledged or otherwise hypothecated or disposed of by a participant other than by testamentary disposition by the participant or the laws of intestate succession.

Transfer upon Death of Participant: In the case where transfer is made following the death of a participant to the participant's legal personal representative, such legal personal representative may only receive the entitlement

under the Restricted Share Unit provided that it is exercised (if exercisable) at any time up to and including, but not after, 5:00 p.m. (Toronto time) on the date which is 90 days following the date of death of the participant or up to 5:00 p.m. (Toronto time) on the date on which the Restricted Share Unit granted to such participant expires, whichever is the earlier; such entitlement shall only occur in cases where the Restricted Share Unit has vested in accordance with the provisions of the RSU Plan and where it is found that the participant is legally entitled to the Restricted Share Unit.

No Restriction on Action: The existence of the RSU Plan and/or the Restricted Share Units granted hereunder shall not limit, affect or restrict in any way the right or power of the Board or the shareholders of the Company to make or authorize (i) any adjustment, recapitalization, reorganization or other change in the capital structure or business of the Company, (ii) any merger, consolidation, amalgamation or change in ownership of the Company, (iii) any issue of bonds, debentures, capital, preferred or prior preference shares ahead of or affecting the capital Share of the Company or the rights thereof, (iv) any dissolution or liquidation of the Company, (v) any sale or transfer of all or any part of the assets or business of the Company, or (vi) any other corporate act or proceeding with respect to the Company. No participant or any other person shall have any claim against any member of the Board or the Granting Authority, or the Company or any employees, officers or agents of the Company as a result of any such action.

Orientation and Continuing Education

Management of the Company takes steps to ensure that its directors and officers are continually updated as to the latest corporate and securities policies which may affect the directors, officers, committee members and the Company as a whole.

The Company continually reviews the latest securities rules and policies. Any such changes or new requirements are then brought to the attention of the Company's directors either by way of Director or Committee meetings or circulated in a memorandum.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the Shareholders for election at the annual meeting of Shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

Other Board Committees

Other than the Audit Committee, the Company does not have any other committee.

The Audit Committee Charter and additional disclosure related to the Audit Committee is attached hereto in Appendix 1.

Assessments

Being a CSE-listed issuer with limited administration resources, the Directors of the Company work closely with management, and each other, and as a consequence are in a position to assess the performance of the Board, its Committee and individual directors on an ongoing basis.

Composition of the Audit Committee

The Audit Committee consists of three members: Michael Danielsson, Gabriel Erdelyi and Jamie Lavigne. A majority of the members of the Audit Committee (being Michael Danielsson and Gabriel Erdelyi) are "independent" and "financially literate" for the purposes of National Instrument 52-110 – *Audit Committees* ("NI 52-110"). See above for Audit Committee member biographies of relevant education and experience.

Pre-Approval of Audit and Non-Audit Services by Independent Auditors

The Audit Committee pre-approves all audit services provided to the Company by its independent auditors. The Audit Committee's policy regarding the pre-approval of non-audit services is that all such services shall be pre-approved by the Audit Committee. Prior to the granting of any pre-approval, the Audit Committee must be satisfied that the performance of the services in question will not compromise the independence of the independent auditors.

Audit Committee Oversight

At no time since the commencement of the Company's most recently completed financial year has a recommendation of the Audit Committee to nominate or compensate an external auditor not been accepted by the board of directors of the Company.

Audit Fees

The aggregate fees billed to the Company for the last two (2) fiscal years noted below by SHIM & Associates LLP, the Company's auditor, and by LFB CPA LLP (the Company's previous auditor), are as follows:

Financial Year Ending	Audit Fees	Audit Related Fees	Tax Fees	All Other Fees
September 30, 2024	\$31,000	Nil	Nil	Nil
September 30, 2023	\$26,000	Nil	Nil	Nil

Exemption

The Company has not relied on any exemptions contemplated under National Instrument 52-110 – *Audit Committees*.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

None of the Directors or Executive Officers of the Company or associates or affiliates of such persons is or has been indebted to the Company or its subsidiaries at any time since the beginning of the last completed financial year of the Company.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as otherwise set out in this Circular and other than transactions carried out in the ordinary course of business of the Company, no insider or proposed nominee for election as a director of the Company, and no associate or affiliate of the foregoing persons, has or had any material interest, direct or indirect, in any transaction since the commencement of the Company's last completed financial year, or in any proposed transaction which in either such case has materially affected or will materially affect the Company.

OTHER MATTERS

The management of the Company is not aware of any matter to come before the Meeting other than as set forth in the Notice of Meeting and this Circular. If any other matter properly comes before the Meeting, it is the intention of the persons named in the Proxy to vote the shares represented thereby in accordance with their best judgment on such matter.

APPENDIX 1
CHARTER OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

E-POWER RESOURCES INC. (“Corporation”)

AUDIT COMMITTEE CHARTER

Members

Under *Regulation 52-110 – Audit Committees*, the Corporation’s board of directors (the “**Board**”) has created a committee called the audit committee (the “**Committee**”). The Committee is made up of at least three directors, of which two who, in the opinion of the Board, are independent and financially literate. Its quorum is a majority of its members, at least one of whom is independent of the Corporation’s management.

Purpose of the Committee

The Committee is directly responsible for overseeing the work of the external auditor engaged for the purpose of preparing or issuing an auditor’s report or performing other audit, review or attest services for the Corporation, including the resolution of disagreements between management and the external auditor regarding financial reporting.

The Committee shall provide assistance to the Board in fulfilling their responsibility to the shareholders, potential shareholders, and investment community relating to corporate accounting, reporting practices of the Corporation and the quality and integrity of its financial reports. As part of this process, the external auditors will report to the Committee. It is the responsibility of the Committee to maintain free and open means of communication among the directors, the external auditors and the financial management of the Corporation.

In carrying out their responsibilities, the members of the Committee have the authority to retain and compensate independent counsel and other advisors who the Committee determines are necessary to carry out its duties and responsibilities.

Responsibilities

In carrying out its responsibilities, the Committee should ensure that the corporate accounting and reporting practices of the Corporation are in accordance with all legal requirements and are of the highest quality.

In carrying out these responsibilities, the Committee will:

- Review and recommend to the Board, the external auditors to be selected to audit the financial statements of the Corporation and its subsidiaries, and their compensation.
- Meet with the external auditors and financial management of the Corporation to review the scope of the proposed audit for the current year and the audit procedures to be utilized and, at the conclusion of the audit, any comments or recommendations of the external auditors.
- Pre-approve all non-audit services to be provided by the external auditors.
- Review, with the external auditors and the Corporation’s financial and accounting personnel, the adequacy and effectiveness of the accounting and financial controls of the Corporation and elicit any

recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of such internal controls to expose any payments, transactions or procedures that might be deemed illegal or otherwise improper. Further, the committee should periodically review the Corporation's policies and determine its adherence thereto.

- Review the financial statements, MD&A and press releases concerning the annual and interim results of the Corporation before the Corporation publicly releases this information.
- Ensure that appropriate procedures are in place to review the Corporation's public disclosures extracted or derived from its financial statements and assess the adequacy of these procedures periodically.
- Provide sufficient opportunity for the external auditors to meet with the members of the Committee without the presence of the Corporation's management. Among the items which may be discussed in these meetings are the external auditors' evaluation of the Corporation's financial, accounting and auditing personnel and processes, and the co-operation that the external auditors received during the course of the audit.
- Resolve any disagreements between financial management of the Corporation and the external auditors.
- Review and approve the hiring policies regarding partners, employees and former partners, and employees of the Corporation's present and former external auditors.
- Establish, oversee and periodically review the procedures in place that permit whistle blowing as regards accounting, internal controls or auditing. These procedures will ensure that employees can report concerns on a confidential and anonymous basis.
